

The diagram illustrates a medical device, possibly a catheter, with a main shaft (10) and a handle (18). The handle includes a control knob (14) and a trigger (16). The distal end of the shaft is curved (20) and features a central opening (24a) and side openings (24b, 24c). A cross-section (24) is shown at the tip. A vertical arrow labeled 'A' indicates a direction of movement or force.
